

## Pacific Islands University Intent to Transfer to Guam Campus

### **Residency requirements for PIU transfer students:**

Students desiring to transfer to PIU Guam after having studied at other PIU teaching sites are welcome to do so. We look to these students to be good examples and leaders for our student body socially, spiritually, academically, morally, and in all other areas of personal lifestyle. Any student or prospective student from another PIU teaching site who desires to live in the dorm, and or take classes on the Guam campus, please follow the following registration procedure:

- 1) Fill out and submit the enclosed transfer form.
- 2) Submit a copy of your passport or birth certificate.
- 3) Read and sign the Standards of Behavior form.
- 4) Have the medical history form, personal shot record, and PPD test up-to-date.

Please submit these forms to the Registrar. Upon completion of the above, the transfer student will be allowed to live in the dorm if there is space available. A room deposit of \$50.00 has to be paid when he/she receives the dorm key. This fee is in addition to the room and board fees. If, when the student checks out of the dorm at the end of the semester, the room is left clean and in good repair, the deposit will be returned.

## **STANDARDS OF BEHAVIOR FOR PIU STUDENTS**

Personal spiritual growth is a basic purpose of PIU. The faith, attitudes and behavior of all members of the PIU family need to grow more like Christ inside and outside the classroom. This means that each individual at PIU must submit to the Word of God as the authoritative standard by which all aspects of the University is to operate

In addition, it is important to learn to live in a community. God calls staff and students from different cultural and church backgrounds. This complicates daily life on PIU campus, for Christians are not in agreement about some aspects of Christian life. The Board of PIU has carefully considered cultural and ecclesiastical concerns and agreed upon some standards of behavior for PIU students and staff members. For the sake of maintaining a healthy campus community, PIU specifically prohibits the possession and use of tobacco, illegal drugs, alcohol, and betel nut on school property or at school sponsored activities. Furthermore, PIU expects students to live lives that are consistent with biblical principles. We understand drunkenness, sexual immorality, gossip, slander, profanity, ethnic or cultural discrimination, dishonesty, stealing, plagiarism, etc. to be inconsistent with biblical living. We expect all PIU students to be active participants in the life of a local church and to strive for academic excellence. PIU will attempt to deal with these issues firmly and redemptively. These and other important standards are described further in the Student Handbook and must be followed by each student.

When necessary, there is a policy for rebuke and discipline, also described in the Student Handbook. Any discipline will be based on scriptural principles with the purpose of correcting the quality of our relationships with Christ and with one another. The key to all of this is Christian love, which compels us to submit to God and to one another.

I agree to submit to PIU rules, standards and authorities as long as I am enrolled by the University.
