

These are books added to the Pacific Islands University in April 2015. Appreciation is given to the people who donated these books in support of Pacific Islands University: theological and Bible studies collections as well as the University's academic programs such as education and liberal studies.
This month the donations were a number of children's books and DVDs.

The Library maintains a "wish list" of titles requested by faculty and staff.

A shortened copy of the Wish List" has been posted on Amazon.com. Under Wish List, search for Pacific Islands University Library. There is also a link to this Wish List on the Library's home page – www.piu.edu/library

Used copies in good condition are accepted.

Contact Library Director Paul Drake pdrake@piu.edu for further information.
