

These are books added to the Pacific Islands University in December 2016. Appreciation is given to the people who donated these books in support of Pacific Islands University: theological and Bible studies collections as well as the University's academic programs such as education, recreation, and diving instruction.

*This December list continues to include a number of Family collection titles purchased through a Talk Story mini-grant from the Asian Pacific American Librarians Association (APALA).
These are Micronesian themed and some in Micronesian languages.*

The Library maintains a "Wish List" of titles requested by faculty and staff. A shortened copy of the "Wish List" has been posted on Amazon.com. Under Wish List, search for *Pacific Islands University Library*. There is also a link to this Wish List on the Library's home page –www.piu.edu/library
Used copies in good condition are accepted.
