

These are books added to the Pacific Islands University in February 2015. Appreciation is given to the people who donated these books in support of Pacific Islands University: theological and Bible studies collections as well as the University's academic programs such as education, recreation, and diving instruction.

The Library maintains a "wish list" of titles requested by faculty and staff. To make a donation or to pay for a book on the "wish list," please contact Library Director Paul Drake at pdrake@piu.edu

This month's new books list reflects two donations of educational materials and completion of the effort to catalog all the children's book plus a donation.

Have a Blessed Day
