

These are books added to the Pacific Islands University in June and July 2017. Appreciation is given to the people who donated these books in support of Pacific Islands University: theological and Bible studies collections as well as the University's academic programs such as education, business, Micronesian studies, and diving instruction.

The Library maintains a "Wish List" of titles requested by faculty and staff. A shortened copy of the "Wish List" has been posted on Amazon.com. Under Wish List, search for *Pacific Islands University Library*.
