e. Suggestions/Expectations about the PIU programs and services.

VERBATIM RESPONSE

1. A good start to learn & experience in academically and spiritually.
2. I am really thankful that I have understand this survey and I hope that PIU will do the same exactly right things to do for the students.
3. These services and programs are so challenging and my expectations about them are dealing with the art of hard working to gain creativity.
4. I think that PIU needs no more expectations for any-other reasons it's fine the way it is now, but maybe still here to find out.
5. I expect PIU to have more students because this is a best school.
